Look to the Forest
**Arbor Day
Student Photo
Contest**

Arbor Day is all about trees! In Idaho, Arbor Day is the last Friday in April. It's a holiday dedicated to tree planting and appreciating the role this renewable resource plays in our daily lives. To celebrate Arbor Day, the Idaho Forest Products Commission sponsors a photo contest. The competition is open to all Idaho students in 5th - 12th grades. **Entries are accepted through March 31, 2017.**

GIVE US YOUR BEST SHOT

Show us what you see when you ***Look to the Forest***. Trees grow in our yards, along city streets, in parks, and especially in our vast forests. In fact, forty-one percent of Idaho is covered in forests!

When you ***Look to the Forest*** what do YOU see?

- A special tree?
- People working in forest-related jobs?
- Beautiful scenery?
- A fun playground?
- A wood or paper product?
- Wildlife that live in a forest?
- Trees being planted?
