

What's Made of Wood?

Color in all the items that are made from wood.

Guess what? They're ALL made of wood. Thousands of things that you use every day come from the trees that grow in managed, working forests.

Our forests give us...

...a place for animals to live, wood for our homes, a place to have fun, and lots more.

Where do animals like to live?

When it comes to a place to live and eat, different animals need different ages of forest.

Can you find these animals in the forest they live in?

Deer mouse

White-tailed deer

Mountain bluebird

Black bear

Hoary bat

Barred owl

Striped skunk

Snowshoe hare

Coeur d'Alene salamander
