I am going on a camping trip in the
woods. I make a wooden fort and make
it at the base of a tree. I call it
my tree house. a wooden sword, a wooden
shield a wooden bow and arrow, and a wooden
flag and a wooden steering wheel I
have made a wooden pirate ship.
Pirateship. It is right at camp.
I like to play in my pirate
ship and that I can pirate out
on the ocean. be a real pirate
and I make everything I need
to for my ship from the branches
branches of nearby trees. Forests
are a playground and a place to
allow me to be me.
