

HELLO, MR. TREE. DO YOU KNOW HOW IMPORTANT YOU ARE? WELL, YOU'RE ABOUT TO FIND OUT. YOU ACT LIKE A NATURAL AIR FILTER FOR THE ENVIRONMENT. YOU CAN HELP WITH THE GREENHOUSE EFFECT BY STORING CO₂. ONE OF YOU CAN HOLD 48 POUNDS OF CO₂ A YEAR! BY STORING CO₂, YOU ALSO STORE GASSES WITH THE CO₂! YOU'RE VERY GOOD FOR THE ANIMALS THAT LIVE WITH YOU, MR. TREE. THE WOODS HOLD 300 SPECIES OF MAMMALS AND OVER 100 SPECIES OF BUGS!

WE CAN USE YOU TO MAKE SKYSCRAPERS THAT WITHSTAND EARTHQUAKES BY WIGGLING INSTEAD OF FALLING DOWN! TREES ARE THE ONLY RENEWABLE BUILDING RESOURCE THAT IS GROWN BY THE SUN! SPEAKING OF THE SUN, YOU GUYS PROTECT US HUMANS FROM THE SUN WHEN WE GO FOR A WALK IN THE FOREST ON A SUNNY DAY! WHEN WE ARE STRESSED AND WE TAKE WALKS IN THE FORESTS WE HAVE A SENSE OF CALM WHEN WE SEE YOU.

ONE THING WE CAN DO TO KEEP YOU SAFE IS TO PICK UP WASTE IN THE FORESTS WHEN WE SEE IT. THANK YOU FOR YOUR TIME, MR. TREE!
