

1.

my 1a

do you want to hear

Why trees are important to

me? trees are important

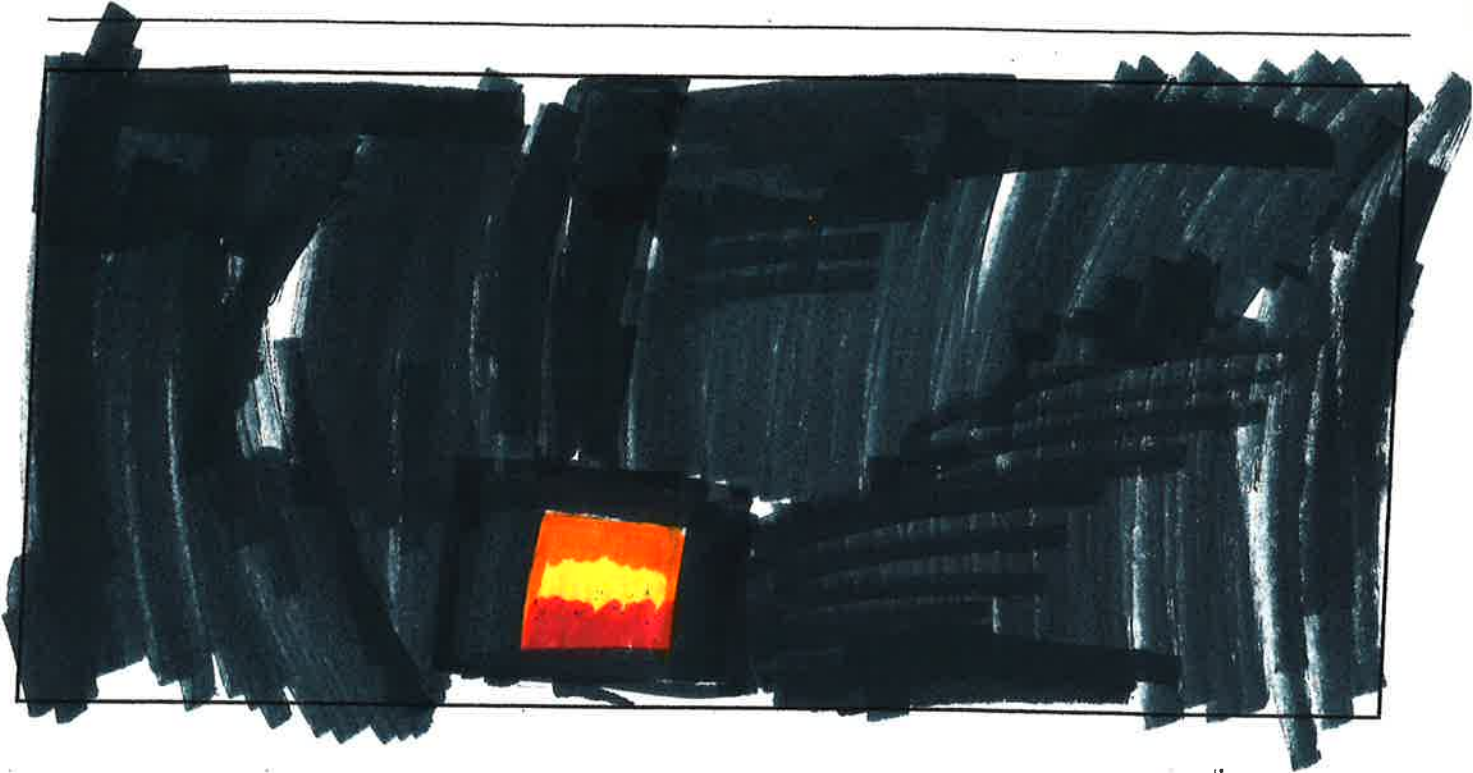

to me because they give me

lots of oxygen and you

to! oxygen is what you

breath in and out.

2.

they also make you warm!

do you now why because the

wood helps the fire burn!

they ~~also~~ also make paper and

houses to make shelter and

keeps the cold air out.

And the hot air in.

3

and that is ~~important~~

why trees are important to

• me.
