✦ Sonora

I like the forest because of the trees. The trees do not hurt you. The forest is cool because you get to hear the animals, like the owls. You can build a house or a tree house out of a tree, but if you want a really special job you can protect the

✦ Sonora

forest. You can build lots of things
out of wood. You can build a book
shelf out of wood. You can also
build a loft out of wood, a loft
is something you put bean bags
or pillows in. I love the forest because
the sounds bring you alive.
